REQUEST FOR CLARIFICATION OF
ADDITIONAL CLAIM FEES ALLEGEDLY DUE

Dear Sir:

A Notification of Defective Response (Notification) was issued October 10, 2001 in the above-identified patent application.

The Notification, at page 2, makes reference to an alleged defect regarding the filing fee remitted for this application. Specifically, an additional claim fee of \$18.00 is stated to be due "for 10 total claims over 20". The Fee Calculation sheet submitted with the Form PTO-1392 in this case shows an entry of \$162.00 for 9 total claims over 20.

The international patent application on which the present U.S. national stage application is based includes 30 claims. By Preliminary Amendment (copy attached), filed December 8, 2000 in the present application, new dependent claim 31 was added and original claims 26 and 27 were deleted, thus making a total of 29 claims, not 30 claims as indicated in the Notification. It is not seen how the present application is deemed to have 10 total claims over 20. Clarification of the basis of this determination is respectfully requested.

The Commissioner is hereby authorized to charge any fee which may be required for this application, or credit any over payment, to Deposit Account No. 04-1406. A duplicate of this paper is enclosed.

Respectfully submitted,

Patrick J. Hagan
